The Village of Mount Prospect invites you to learn about Village operations from Department Directors and staff members by joining the 4th Mount Prospect Citizens Civics Academy.

The Mount Prospect Citizens Civics Academy will begin on April 3 and run for eight weekly classes. The Academy is a series of free educational sessions designed to teach Mount Prospect residents about the inner workings of their local government.

Civics Academy participants will learn about the many responsibilities and functions of the Village, the relationships between Village Departments and the community, and how services are provided. The Academy's goal is to educate the public and increase awareness about what their local government does for them, provide an inside look into government operations, and develop a better understanding of a citizen's role in Village government.

Classes will meet at Village Hall and other Village buildings such as the Public Works Facility, Police Headquarters, and Fire Station 13. For more information and to fill out an application, go to www.mountprospect.org/citizenscivicsacademy.
