The Village of Mount Prospect invites residents, business owners, and community stakeholders to participate in a public Visioning Workshop for the Mount Prospect 2040 Comprehensive Plan (MP2040). The workshop will be held on Wednesday, July 16, from 7 to 9 pm in the Farley Community Room at Village Hall (50 S. Emerson Street). Walk-ins are welcome.

This interactive workshop is part of the comprehensive planning process, a long-term initiative to guide how Mount Prospect grows, evolves, and invests over the next 10 to 15 years. Participants will have the chance to share ideas, identify priorities, and use maps and markers to draw and discuss their vision for the Village. The evening promises to be a fun, hands-on opportunity to shape Mount Prospect's future, and all residents and stakeholders are encouraged to take part.
