Mount Prospect, IL – The Village of Mount Prospect’s loose-leaf collection has been cancelled for the week of December 1-5 due to the upcoming winter weather and the drop in temperatures expected on Saturday, November 29. All leaf collection equipment will be converted for snowplow operations.

If your street was already collected earlier this week, do not place any additional leaves in the street. Any remaining leaves must be placed in kraft paper bags or rigid containers (not exceeding 50 pounds) and set at the curb on your regular garbage collection day. The bagged leaf collection program will continue through the week of December 15.

For questions or additional information, contact Public Works at 847-870-5640 or publicworksdept@mountprospect.org.
