Mount Prospect, IL – On Saturday evening, November 8, at approximately 6:46 pm, the Mount Prospect Fire Department responded to a garage fire on the 300 block of North Pine Street. Upon arrival, firefighters were confronted with a fully engulfed detached garage with flames threatening nearby homes.

Crews quickly deployed hose lines and were able to bring the fire under control within 10 minutes. Firefighters successfully prevented the blaze from spreading to adjacent structures. “If not for the timely call to 911 and the quick response of the fire department, the outcome could have been much worse,” said Fire Chief Tom Wang.

There were no injuries reported by residents or emergency personnel. Damage is estimated at \$50,000. The cause of the fire remains under investigation, though it appears to be accidental in nature.

Over 20 firefighters responded to the scene. The Mount Prospect Fire Department was assisted by the Arlington Heights and Des Plaines Fire Departments.

For questions regarding fire safety, please contact the Mount Prospect Fire Prevention Bureau at 847-818-5253.
