Signatures to the petition indicate support of traffic calming measures on the street or at the intersection listed above. This is not a commitment to construction, there will be further public outreach as plans are developed.

Petition for Traffic Calming Measures

Additional Information

This petition should be signed by residents within the immediate area where traffic calming measures are requested. Please reach out to the Engineering Division at Mount Prospect Public Works with any questions on determining an initial project area for petitions.

Return to: Engineering Division, Attention: Luke Foresman, PE, Mount Prospect Public Works, 1700 West Central Road, Mount Prospect IL, 60056.

This is the first step in the traffic calming process as part of the Friendly Neighborhood Streets Program. Information on the program can be found on the Village's website or a hard copy can be requested at Public Works.

For the petition, only one signature per property is allowed. Businesses count as one signature, as do churches or schools. For multi-family residences, each apartment or condo counts as one signature.

Upon receipt of the petition, the Engineering Division will review the petition for validity, then return with comments to the primary contact or will proceed with the traffic calming process.

The letter explaining why the petition is being submitted should include:

- Description of the problem(s)
- Time(s) of the day / day(s) of the week when the problem occurs
- Possible causes of the problem
- Any other information the Village should be aware of regarding the problem

Any questions on the petition, the traffic calming process or The Friendly Neighborhood Streets Program can be directed to:

Luke Foresman, PE

Project Engineer
