

Resident Information Bulletin #7

South William Street Traffic Calming Post-Study

Village of Mount Prospect
Public Works Department
September 2026

INTRODUCTION:

The Village installed a traffic calming project on William Street in the Summer of 2026. In accordance with the Friendly Neighborhood Streets Program, the Village is now conducting the post-study including traffic counts and resident surveys. This post-study will be discussed at the October 12th Transportation Safety Commission Meeting.

TRAFFIC CALMING PROJECT:

The following items were included as part of the traffic calming project as approved by the Village Board:

- Parking changes, pavement markings and marked crosswalks on William Street between Prospect Avenue and Shabonee Trail
- Speed feedback signs on the 600 and 700 blocks of William Street
- Raised median island at the existing crosswalk south of Weller Creek and intersection pavement markings at the intersection of William Street and Berkshire Lane
- "No Parking Here to Corner" signs at the intersection of William Street and Sunset Road

RESIDENT SURVEY:

Please see the second page of this notification for the resident survey. The survey period is open until Friday October 16th. If you would like your response to be included as part of the Transportation Safety Commission Meeting, please send it in by Friday October 5th. The survey can be mailed to or dropped off at Public Works, 1700 W. Central Road, Mount Prospect, IL 60056, sent via email to publicworksdept@mountprospect.org, or over the phone at (847) 870-5640.

TRAFFIC COUNTS:

The Village is collecting traffic counts as part of the post-study including vehicle volume and speed data. The results of these counts will be shared at the Transportation Safety Commission Meeting and posted to the study website as part of the Transportation Safety Commission Agenda Packet. Please use the QR code below or search "William Street" on the Village's website to access the study website.

TRANSPORTATION SAFETY COMMISSION MEETING:

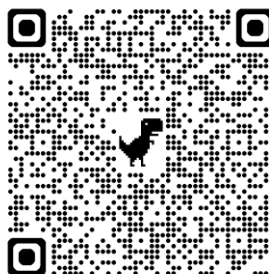

The post-study is scheduled to be presented to the Transportation Safety Commission at their October 12th Meeting at 7:00 PM at the Emergency Operations Center at Public Works, 1720 E. Central Road. You are invited to attend and participate in the meeting. At this meeting Staff will review the results of the traffic counts and the resident survey. After which a final memo will be prepared and sent to the Village Board for information.

Please reach out to Public Works with any questions by phone at (847) 870-5640 or by email at publicworksdept@mountprospect.org. Please put "William Street Traffic Calming" in the subject line of your email.
