Vision Care Benefits through BCBS Medical <i>(Note: for the Village's freestanding vision plan, VSP, please review the VSP Vision page on the Employee Intranet)</i>	Vision Care benefits are through EyeMed Vision Care. To find a vision provider for HMO Members (EyeMed) go to eyemedvision.com/bcbsil . Click on provider and enter your provider's zip code. If you would like to check on your vision benefits, check claims, etc. online, then an account would need to be created at eyemedvisioncare.com/bcbsil . (Note: this login is different from your Blue Access for Members (BAM) account that is used for your HMO medical plan).
