Date of Final Disposition	08/09/2023
Type of Complaint/incident	odor
Comments/final disposition/notes/etc.	On July 19th, 2023, the author took multiple off site odor observations to investigate the complaint received. The author observed cheesy odor at few observation points. Therefore, the author decided to issue a violation for the source for allowing odor to be beyond the property boundaries so as to cause air pollution (35 IAC 201.141).
