

## *Village of Mount Prospect* **Press Release**

---

### **EMERGENCY LANE CLOSURE:**

**BUSSE ROAD BETWEEN WILLOW AND GOLF ROADS IN EFFECT UNTIL THURSDAY, JAN. 11**

**DATE:** January 8, 2018  
**CONTACT:** Sean Dorsey, Director of Public Works  
**PHONE:** 847/870-5640      **EMAIL:** [sdorsey@mountprospect.org](mailto:sdorsey@mountprospect.org)

The Mount Prospect Public Works Department is issuing a traffic alert for motorists who travel Busse Road between Willow and Golf Roads. Due to a water main break, the two (2) northbound lanes of Busse Road are closed at Willow Lane. Northbound traffic has been diverted into a southbound lane. Busse road is open in both directions with one lane of travel northbound and one lane of travel southbound. Traffic flow in the area is constricted and slow moving during rush hour periods.

Public Works crews will be onsite the evening of January 8 to complete repairs to the water main. Public Works crews will return Tuesday to complete concrete repairs to the roadway. Concrete will need to cure for at least 24 hours before surface is safe for vehicular traffic.

Motorists are strongly encouraged to find alternate routes as the lane restrictions will be in place until Thursday, January 11 at 7am.
