**** COMMUNITY ALERT****
Suspicious Incident/Attempted Child Luring

On Friday, June 15, 2018, at approximately 8:56 AM a 16-year-old was walking in the 300 block of North William Street when a gray colored four-door sedan pulled into a driveway in front of her. The juvenile had seen the vehicle circling the area multiple times while walking prior to it pulling into the driveway. The driver of the vehicle rolled down the window and instructed the juvenile to get into the car. The juvenile ignored the driver and continued walking to her destination, alerting an adult as soon as she arrived, who called 9-1-1. Officers searched the area for the vehicle, but were unable to locate it. The gray sedan was last seen in the 400 block of Business Center Drive.

The driver of the vehicle is described as a white male in his 20's, darker complexion, thin build, very short dark colored hair, short facial hair, with a long and bent nose. The gray four-door sedan is possibly an Audi or Infiniti with large shiny four or five spoke rims, dark tinted windows, black front grille and a loud exhaust system.

The Mount Prospect Police Department urges parents and children living in this area to be extra vigilant in the days ahead and to call 9-1-1 immediately should a subject and/or vehicle matching these descriptions be observed. The Mount Prospect Police Department will have an increased presence in the area.

Additionally, the Mount Prospect Police Department urges parents to use this incident as an opportunity to review safety rules with their children and to report any suspicious activity to the police immediately by calling 9-1-1.

With COURAGE we protect, with COMPASSION we serve.
