On Friday, November 16, 2018 at 2:34 PM, the Mount Prospect Police Department responded to the intersection of Emerson Street and Prospect Avenue for a report of a pedestrian who had been struck by a vehicle. The driver of the vehicle left the scene after striking the pedestrian. Upon arrival, officers located a 66-year-old male who had been struck by a vehicle lying on the roadway. Witnesses observed a silver colored 4-door sedan travelling westbound Prospect Avenue, away from the victim, immediately after the crash. The victim was transported to Advocate Lutheran General Hospital in Park Ridge, where his non-life threatening injuries were treated and he was later discharged from the hospital that evening.

The Mount Prospect Police Department continues to investigate this hit and run accident and is looking for anyone who witnessed this traffic crash or has information about the silver 4-door sedan. Anyone with information should contact the Mount Prospect Police Department at 847-870-5656.
