

Are you prepared to be without power during critical times?
Do you currently own a generator but would like to learn more information?
Are you interested in owning a generator for your home, work or place of
worship?

The Village of Mount Prospect Emergency Management is hosting a **FREE**

GENERATOR AWARENESS EVENT

Attendees will learn more about the process of owning
& maintaining different types of generators.

Representatives from the Village's Building and Inspection Services,
Fire Department, Community Emergency Response Team and local electrical
contractors will be present to answer questions.

This FREE event is open to the public and no registration is required!

Wednesday, May 29th
4 p.m. – 8 p.m.
at
Fire Station 14 –
2000 E. Kensington Road
Mount Prospect
