## 2020 CENSUS INFORMATIONAL MEETING – MARCH 9

**DATE:** February 28, 2020  
**CONTACT:** Connor Harmon, CHarmon@mountprospect.org  
**PHONE:** 847/392-6000

The Village of Mount Prospect is hosting an informational meeting about the 2020 Census on Monday, March 9 from 5:30-7:00 p.m. at the Community Connections Center, 1711 W. Algonquin Road, Mount Prospect. The U.S. Census Bureau presentation will feature frequently asked questions, Census timelines, how to respond, languages, and what is at stake. We will also answer your questions about the 2020 Census.

The 2020 Census count impacts funding for things like schools, infrastructure, health care, social service programs, Legislative Districts and more. Over \$675 Billion annually is allocated throughout the nation to support infrastructure needs, schools and school districts, hospitals and emergency healthcare centers, and social service programs that specifically provide assistance for senior citizens, veterans, and low-income families, among hundreds of other programs. State and local funds are distributed based on population, so ensuring a complete count for Mount Prospect is critical for appropriate funding.
