October is National Domestic Violence Awareness Month. Domestic violence takes many forms, including physical, emotional, financial, and sexual. Increasing data shows that the pandemic has led to an increase in domestic violence cases and has presented challenges for survivors to access services.

Join the Mount Prospect Human Services Department for a free webinar hosted by WINGS on Wednesday, October 14th, 2020 from 6:30 to 7:30pm. The webinar will provide information on how to access domestic violence services during COVID-19 and discuss ways you can help a friend or loved one who may be experiencing domestic abuse.

Registration is available at <https://bit.ly/327FKUv> or call 847-870-5680 to register. Pre-registration is required.

If you or someone you know is experiencing domestic abuse, you can call WINGS 24-hour domestic violence hotline at 847-221-5680. For more information about WINGS, visit [www.wingsprogram.com](http://www.wingsprogram.com).
