Renewal applications are mailed to residents the first week of February. There is a vehicle ID referenced on the pre-printed application to streamline the renewal process. Vehicle stickers may also be purchased online without a pre-printed application.

Those who did not receive a renewal application in the mail are still responsible for purchasing a 2021-2022 sticker. A late penalty will be added to the cost of a vehicle sticker purchased after April 30. Citations may be issued to vehicle owners if current stickers are not displayed by May 1.
