5. Permits can be purchased for the current calendar month or the next calendar month. Select Current Period for the current calendar month. Select Next Period for the calendar month immediately following the current calendar month. The Start and End Date will adjust automatically.

4. Enter the license plate of the vehicle to be associated with the permit.

6. (Optional) If you would like the permit to renew on a monthly basis and process payment automatically toggle on Auto Renew. The toggle will turn blue when auto renew is on.

Note: If you select auto renew you will need to manually process payment for the permit that you are applying. The next calendar month permit will process utilizing auto renew.

7. The Next Billing Date represents the date and time the permit will renew for the next calendar month.

8. Click on the Save And Continue button
