The Human Services Department is launching its yearly School Supply Drive. This year, families will receive a backpack with a gift card so that they are able to purchase their child's needed school supplies. The participating families regularly utilize our food pantry or have experienced a recent significant financial hardship. Providing the families with this small yet important assistance helps set their children up for a successful school year. Residents interested in donating, can do so by donating a new book bag and dropping it off at Village Hall to the Human Services Department (50 S. Emerson St, 2nd Floor) or by making a monetary donation via Paypal at mountprospect.org/donation earmarked "School Supply Drive." With the donations, Human Services staff will purchase the gift cards and book bags for each family.
