Holiday Decorating Contest winners are chosen by a team of Special Events Commission members who travel throughout the Village looking for those special decorations. This year, the Commission invited residents to nominate their favorite houses in seven categories. Residents were allowed to vote on the Grand Prize-winning house via Facebook.

“The Special Events Commission is excited to change things up this year and have Village residents participate by nominating houses as well as selecting the Grand Prize winner,” said event coordinator Haley Schechter. “This event encourages everyone to participate in a fun activity in a safe but still festive manner!”

Winners will be recognized and honored at the January 4, 2022 Village Board Meeting. Congratulations to all the winners and happy holidays!
