NEWS RELEASE

Mount Prospect Police Department Investigating Aggravated Discharge of a Firearm

On Saturday, April 16, 2022 at approximately 12:21 AM, the Mount Prospect Police Department responded to the 911 report of a suspicious vehicle in the 2000 block of Seminole Lane. Upon arrival, officers learned the complainant had heard several "pops" outside while he was inside his house. Upon looking outside, he observed an unknown vehicle leaving the area westbound on Seminole Lane. The complainant then called 911 to report the suspicious activity. Officers searched the area and located multiple 9mm shell casings in the roadway between the 1900 and 2000 block of Seminole Lane. Officers also located an unoccupied parked vehicle with a shattered windshield and damage consistent with being struck by a bullet in the area. Mount Prospect Police Crime Scene Technicians collected physical evidence from the scene and have sent it to the forensic lab for analysis. Officers have been unable to locate anyone injured as a result of this incident.

The Mount Prospect Police Department will have an increased presence in the area as a result of this incident.

The Mount Prospect Police Department continues to investigate this aggravated discharge of a firearm. Anyone with information or anyone who has any video footage that might assist with this investigation should call the Mount Prospect Police Department Investigations Section at 847-870-5654.
