NEWS RELEASE

Mount Prospect Police Department Investigating Shots Fired

On Monday, December 12, 2022 at approximately 8:23 PM, the Mount Prospect Police Department responded to the 911 report of shots fired in the 1100 block of Boxwood Drive. Upon arrival, officers learned two people dressed in all black and wearing black ski masks were in the 1100 block of Boxwood Drive when a later model slate or blue colored Honda Odyssey minivan drove by and an occupant of the Honda fired multiple shots out of the vehicle. The Honda fled the area and the two people wearing all black clothing fled the area prior to the arrival of officers. Officers searched the area and located two 9mm shell casings in the roadway of the 1100 block of Boxwood Drive. Officers located damage to an apartment laundry room window and an adjacent apartment wall consistent with being struck by a bullet. A fragment of a spent bullet was also located in the apartment where the damage was observed. Mount Prospect Police Crime Scene Technicians collected physical evidence from the scene and have sent it to the forensic lab for analysis. The resident of the apartment was not injured. Officers have been unable to locate any person injured as a result of this incident. Detectives believe the two people dressed in all black clothing were the intended target of the shooter, but have been unable to locate them at this time.

The Mount Prospect Police Department will have an increased presence in the area as a result of this incident.

The Mount Prospect Police Department continues to investigate this incident. Anyone with information or anyone who has any video footage that might assist with this investigation should call the Mount Prospect Police Department Investigations Section at 847-870-5654.
