- Downtown infrastructure investments, including a proposed bike path, parking improvements, intersection signalization and crosswalk improvements, water main improvements, and a planned train platform extension.

About COWs On the Road

Taking a COW “On the Road” allows the Village Board to highlight a different location, business, or area in Mount Prospect while also giving residents a chance to attend a meeting closer to home. Established by Mayor Paul Wm. Hoefert, the Village Board plans to hold a COW On the Road quarterly.

“My goal is to bring government to the people,” said Mayor Hoefert. “I understand that residents and the business community cannot always attend our meetings at Village Hall, so I want to make the process more accessible by meeting people where they are.”

How to Watch

Like any other public meeting, COWs On the Road are open to all. In addition to attending in person, the meeting will also be streamed live. Watch online at mountprospect.org/mpdc or on cable TV at MPDC, Channel 17.
