IL83 Resurfacing Press Release

The Illinois Department of Transportation will soon begin resurfacing work on IL Route 83 (Main Street) between Northwest Highway and Evergreen Avenue in downtown Mount Prospect. Initial work will include storm sewer repairs, curb replacement, and sidewalk replacement.

Motorists can expect delays with daily lane closures during construction. Upon completion of the initial work, the contractor will evaluate whether there is sufficient time to resurface the roadway with new asphalt prior to Mount Prospect's 4th of July parade. If so, construction will continue until completion. Otherwise, construction will resume after July 4.

The Village of Mount Prospect appreciates your patience during construction. Questions about the project can be directed to the Illinois Department of Transportation at 847-705-4262.
