The Village of Mount Prospect is pleased to announce new Assistant Village Manager Alex Bertolucci. Bertolucci has served as the Assistant to the Village Manager since 2020 and stepped into his new role on February 1, 2024. Bertolucci's promotion comes as Nellie Beckner, Assistant Village Manager for the past eight years, moved on from the role at the end of January.

Village Manager Michael Cassady explained the decision for the internal appointment is an opportunity to reallocate the position based on the talent we have in the organization. "Alex's educational background, local government management experience, leadership qualities, and commitment to the Village of Mount Prospect organization and community have prepared him for this expanded role," Cassady said. "We encourage our team members to seek out professional development and training opportunities to prepare them to advance in the organization. Alex has proven to me and our Leadership Team that he was the most qualified candidate to be our next Assistant Village Manager," stated Cassady.

Bertolucci has a Master's in Public Administration and a bachelor's degree in public policy with a concentration in urban studies from Northern Illinois University. Prior to serving as Assistant to the Village Manager, he held the positions of Management Analyst, Administrative Analyst, and Intern, cumulating to 13 years of service to the Village of Mount Prospect.

"I am grateful to be considered for this position and look forward to continuing to serve the community of Mount Prospect," said Bertolucci. "I am thankful to the many individuals that have supported me and whom I've learned from during my tenure so far at the Village."

Bertolucci is a lifelong Mount Prospect resident, race car enthusiast, and dedicated public servant. In his time as Assistant to the Village Manager, he worked to earn the Village a SolSmart Gold Designation, planned fan-favorite Fridays on the Green Concerts, and drafted the Village's Sustainability Plan, among numerous other noteworthy projects and achievements.
