Re: Collection of 2% Foreign Fire Tax
For the period 7/1/2023-6/30/2024

Dear Tax Professional:

In accordance with Illinois Public Act 95-0807, payment of this tax is required by every out-of-state corporation, company, and association, which are engaged in effecting fire insurance in a municipality, and must be paid directly to the Treasurer of the Foreign Fire Tax Board. The Mount Prospect Foreign Fire Tax Board opts to collect this tax directly, rather than going through the Illinois Municipal League.

Please note we are including a list of properties in Arlington Heights that have been annexed into Mount Prospect and for which Mount Prospect is responsible for providing fire protection. If you provide coverage for any of the properties on the list, the 2% tax is due to Mount Prospect, not Arlington Heights.

The attached affidavit certifies gross premiums, taxes paid to the State, and 2% Tax due the Mount Prospect Foreign Fire Tax Board. Please return the signed affidavit, along with a check (if applicable) made out to “*Mount Prospect Foreign Fire Tax Board.*” You can also send the payment electronically. Payment instructions are listed below. In either case, the signed affidavit must be returned.

If your company does not write any lines of business that include fire coverage, or does not owe taxes this year, a completed (zero tax owed) copy of the attached affidavit can simply be returned via email.
