

We think
CHILD SAFETY
is so important there should be
A DAY DEVOTED
to it.

Did you know over 70%* of all child safety seats are improperly used?

Motor vehicle crashes are the leading cause of death among children ages 2 to 14, due in large part to the nonuse or improper use of child seats and seat belts. Make sure your child is riding safely. Stop by your local **State Farm® Child Safety Day** site, and a certified technician will inspect your child's safety seat.

Saturday, September 10th
State Farm Agent Thomas Henderson
1770 West Golf Road, Mount Prospect, IL 60056
