

Village of Mount Prospect Press Release

MP Downtown Merchants Association's Oktoberfest has been cancelled

DATE: 10-14-2017

CONTACT: Howard Kleinstein, Communications Director

PHONE: 847-220-1280

A decision has been made to cancel Saturday's Oktoberfest activities due to the threat of worsening rain events and lightning strikes. Oktoberfest, which was to be held today between 4 and 11 pm has been shut down. Various weather outlets predict heavy rains, and lightning strikes throughout the evening. The MP Downtown Merchants Association and the Village's Emergency Management Coordinator has decided to cancel tonight's event rather than risk an evacuation or the tent. Public safety is a concern and it is always better to err on the side of caution.
