PRESS RELEASE

Mount Prospect Police Department Investigates Multiple Residential Burglaries

On Tuesday, December 19, 2017, at approximately 7:20 AM, the Mount Prospect Police Department responded to a house in the 800 block of Heritage Drive and another house in the 1700 block of Regency Court for reports of residential burglaries that had occurred overnight.

Upon arrival on Heritage Drive, officers learned that unknown offender(s) entered the residence through an unlocked window on the first floor and removed multiple purses, which contained United States Currency and various credit cards. The offender(s) committed the burglary while the homeowners were asleep upstairs.

While investigating the second burglary on Regency Court, officers learned that unknown offender(s) entered a vehicle that was parked in the driveway and removed multiple power tools. The offender(s) then entered the residence through a side door and removed a purse, which contained United States Currency and various credit cards. There were no signs of forced entry to the vehicle or the residence. The offender(s) committed the burglary while the homeowners were asleep upstairs.

A canvas was conducted and officers located property taken from the above burglaries in neighborhood garbage cans. Neighbors of the victims contacted the police department to report they had video surveillance of suspects making unsuccessful attempts at trying to enter their homes around the time of the burglaries.
